Intern Policies and Procedures

1. For interns, an initial **27.5-hour volunteer training** is provided at no charge by Beyond Abuse. Successful completion certifies interns to respond to the Emergency Room to provide victim advocacy and to answer Crisis Hotline calls.
2. For Client Services Interns, an additional **6-hour training** is provided at no charge by Beyond Abuse.
3. Each intern must sign and adhere to the Confidentiality Statement. No client will be discussed or named by an intern at any time other than with Beyond Abuse staff members.
4. Interns will be subject to background checks through SLED (State Law Enforcement Division), DSS (Department of Social Services), and a National Background Check. In the event that an intern has an arrest record, the Victim Services Manager will determine the severity of the crime and make a judgment to approve the intern to perform direct services.
5. Three (3) references must be provided. All will be contacted by e-mail or phone.
6. Interns should be 18 years of age and older.
7. Interns must have access to a phone, a car, and live within a thirty-minute (30 min) response radius of the hospital to be scheduled for “on-call” victim support for the emergency room.
8. Interns who are survivors of sexual violence can have negative impacts when working with other survivors if he/she is not in a good place. **Please note:** When an intern states that they have a history of abuse, a precautionary assessment is required with an agency counselor prior to interning or going on call.
9. If an intern also decides to volunteer, meetings are held bi-monthly and attendance is **mandatory** for all interns. As a volunteer it is required to get 4 hours of continuing education each year, except for the first year.
10. Call schedules are e-mailed monthly to each volunteer. Conflicts with schedules should be reported to the Victim Services Manager immediately. If assigned dates are Monday through Thursday, please note that on-call hours begin each day at 5 pm and end the following morning at 8 am. If assigned dates are Friday, on-call hours begin Friday at 2 pm and end Saturday at 8 am. On-call hours for Saturday and Sunday begin at 8 am Saturday and end at 8 am on Monday.
11. After responding to the Emergency Room and/or Hotline, victim assessment and/or crisis call forms should be given to the Victim Services Manager within **24 hours** of the call. This enables the staff to complete victim support in a timely manner.
12. Interns must complete Volunteer Hour Log Forms at the end of each month, and returned by the 5th of the following month to Victim Services Manager.
13. Professional service boundaries are required between interns and clients at all times.
14. Beyond Abuse discourages any intern from accepting gifts from clients.
15. Complaints of intern misconduct will be investigated by the Victim Services Manager in conjunction with the Client Services Director. Action will be taken as determined by the Executive Director according to the severity of the infraction.
16. Interns are encouraged to participate in public speaking engagements, health fairs, vigils, etc. in the community.
17. A committed intern at Beyond Abuse is different from being an intern at other organizations due to sensitive client contact and committed hours. A firm commitment to the agency for a **minimum of six (6) months is requested**. Assess your availability before entering training.
